Explanation	Screenshot
<p> Logging in</p> <p>Outside of the eBay VPN, you will need a user name and password to login. You need to input the Company name, User Name, and Password. This includes accessing Dayforce after termination.</p> <p>Company: eBay</p> <p>User Name: firstname.lastname</p> <p>Default Password: The default password format is based on your personal information. It combines your 4-digit birth year and the last four digits of your Social Security Number, in the following way: eBay{BIRTHYEAR}{LAST4SSN}Eb@Y</p> <p>For example, if your birth year is 2000 and the last four digits of your SSN are 1234, your default password would be: eBay20001234Eb@Y</p> <p>After using your default password, you will be asked to create a permanent password.</p> <p>If you need to have your default password reset, please contact the People Team or Payroll.</p>
